# TEAM PROJECT: **JBHA**

---

## **Objective and Expectation:**

All JBHA faculty members will learn and successfully implement 21st Century technology to enhance instruction and communication beyond their homework pages.

- ❑ **Our homework pages will use 21st Century web tools.**
- ❑ **Faculty will create curriculum support pages.**
- ❑ **Students and faculty will actively share information.**

# THE PROCESS

---

- ❑ **Step 1.** Create an instructional listing of tools that are linked to tutorials.
- ❑ **Step 2.** Compile suggestions for their use across the curriculum.
- ❑ **Step 3.** PLP team members will plan and lead professional development sessions both for the entire school and within individual departments.

# THE PROCESS
